

State of Alaska

Division of Fire and Life Safety

TRAINING AND EDUCATION BUREAU

Course Announcement: **Fire Suppression Sprinkler Systems**
Course Number: F-1529
Dates & Time: April 23rd 10:00 AM – 4:00 PM
Location: Denali National Park – Maintenance Facility

COURSE DESCRIPTION:

This 6 hour class will cover Alaska Fire System permits. The topics will include general maintenance of fire alarm systems, fire suppression sprinkler systems and related devices, as well as system testing and flow rate testing for wet and dry sprinkler systems. The class will focus on the systems that are maintained and operated in the buildings located throughout the Denali National Park.

Please follow the link for more information on state fire suppression permits. [Alaska Fire Life Safety and Investigations Bureau](#)

STUDENT RESPONSIBILITIES:

Course materials will be provided to registered students at the beginning of class. Students must satisfactorily complete each section of the class. The student or his/her sponsoring agency is responsible for all costs, transportation, food, and lodging. 100% attendance and participation is required.

Cancellation deadline: You may withdraw from the course 3 weeks before the start date without cost. In order to withdrawal, you must notify TEB in writing before the cancellation deadline. Cancellations received after this deadline will not be honored and you will be charged the full contractual amount.

CLASS SIZE: Minimum 4

INSTRUCTORS: Tyler Bones & Don Werhonig

STUDENT TUITION: Contractual

Please fill out the course registration form and fax to 907-451-8998, or email to Tori Clyde at victoria.clyde@alaska.gov or call the TEB office at 907-451-9001 with questions or concerns.
